

## Steps to install the Attendance Keeper Desktop App

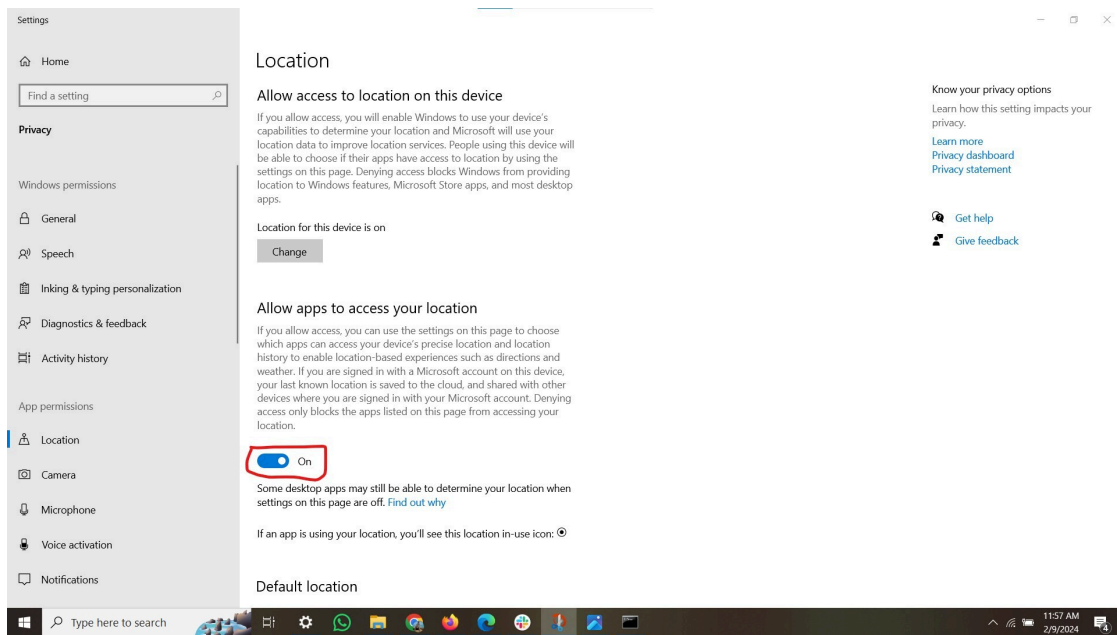

1. Navigate to [Attendance Keeper Website](#) and download windows version

2. After downloading, a zip file will be visible. Extract the zip file

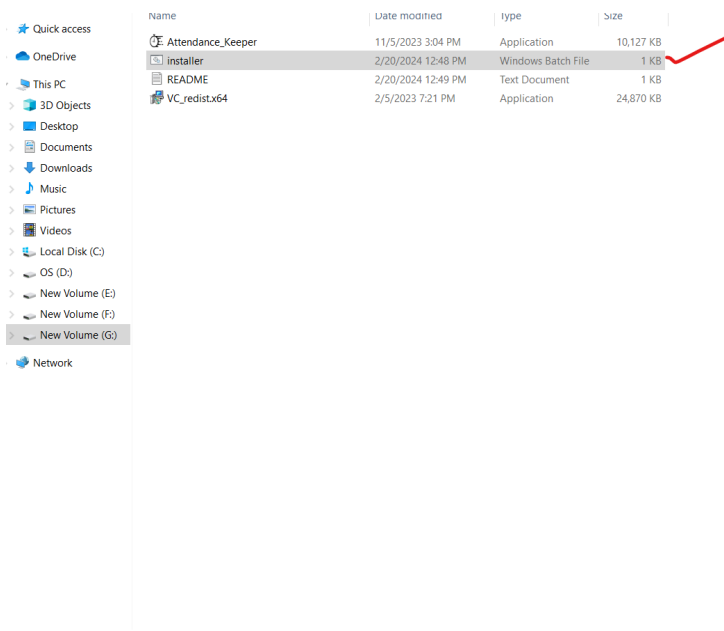

### 3. Please check that your Location is turned ON

### 4. There are three options to install the desktop application.

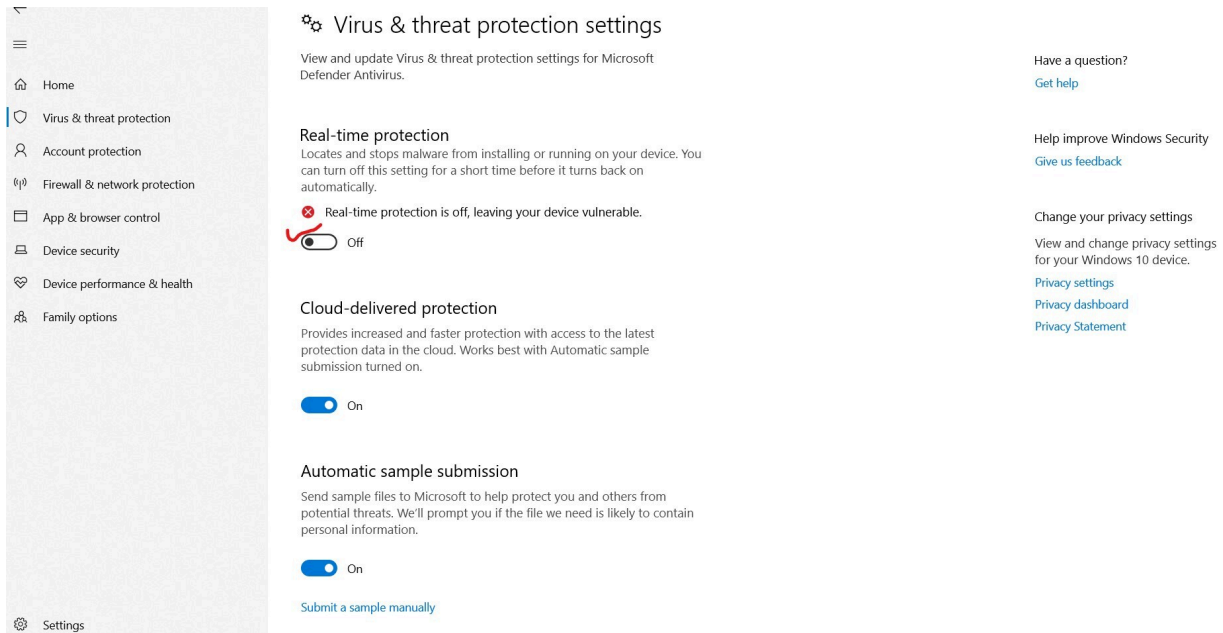

- Attendance keeper
- Installer
- VC\_redist.x64

Please double click on **Installer.bat** and give permission to allow the app to make changes to the device.

### Additional requirement:

Still, if you face any problems after completing these steps, please check that "Anti virus protection" is turned off. Then try the steps again.

5. A "Device ID" will be visible

Add this device ID to the admin or manager account at feature "Device."
